

VOYAGES THROUGH TIME

Download Instructions

Voyages Through Time is available by direct download at <https://www.seti.org/education/vtt/>

- You have the option to share the files with others by logging into Dropbox, or direct download (no login required) to your computer.
- Files will be *zipped* (compressed). Click on the downloaded Zip files to unpack the Voyages Through Time folders.
- Once unzipped, please ensure that all folders remain in their original, unaltered structure. Removing or relocating any components may prevent the module from functioning properly.
- To launch a module, double click on appropriate **.htm** file, which will open the module on your default browser.

Support for Voyages Through Time is no longer available, but if you encounter any issues downloading these files, please contact the SETI Institute at info@seti.org for assistance.
